- 7:30 - Gather at Alberici Lodge
- 8:00 for coffee, juice, and doughnuts  
& Project leaders round up their crews
- 8:15 Start of morning work session
- 12:00 Hearty Lunch at Alberici Lodge
- 12:30 Start of afternoon work session
- 5:30 End of work sessions – Thank You!

### HOW CAN YOU HELP?

1. Materials Do you work for a distributor, manufacturer, or in service trades? You might have access to donated materials we can use.
2. People Skilled people, when we know they are coming are the best asset we have. If we don't know you are coming, we can't plan projects effectively. So it is very important to call or register early!
3. Tools The camp has limited tools, so please bring what you can.

**Questions:** Contact Ranger Nick Carr at Camp Agawam

**Project List:** We will post the project list on our website after March 20<sup>th</sup>.

**THERE WILL BE A RANGE OF PROJECTS FOR ALL SKILL & ABILITY LEVELS!**

**WE NEED MIX & FIX PROJECT LEADERS AT ALL LEVELS**

**2008 CAMP AGAWAM MIX & FIX REGISTRATION FORM.** Units wanting to stay overnight should make those requests as early as possible, so that campsite assignments can be made.
